Dear Miss Wolff:

Our Operations Department in Schenectady has notified me of your kind invitation to have a representative of the System visit the Smith campus and meet with members of the WCSR staff to discuss matters of mutual interest.

I should be happy to call at some convenient date to explain the relation of IBS aims and activities to the member stations, and to confer on any other matters you may suggest. The afternoon and evening of Friday and Saturday are most often free for out of town trips, but if another day is better suited to your schedule, please don't hesitate to mention it.

Mr. Borst has mentioned the period 13-18 December, and I hope that we may be able to get together then, or at an earlier date, if possible.

Cordially,

  
James R. Wylie
